

TEAM ENTRY FORM

Canstruction® is an international competition where architects, engineers, contractors and students compete to design and build giant structures made entirely from full cans of food. At the close of the event, all the food from the Treasure Coast competition will be donated to the Treasure Coast Food Bank.

The Treasure Coast is joined by over 100 cities across the world to hold Canstruction® competitions. Highlighting the creativity and compassion of top architectural and engineering firms, these astounding structures are helping change the world - by collecting millions of pounds of food for local food banks.

What:

Design and build structures made entirely out of canned goods.

Where:
