HUNGER ACTION MONTH™

HAM which falls in September, is the most important month for a hunger relief organization like TCFB. HAM was created to motivate and engage others to make a greater impact in the fight against hunger here in our community. All of us know someone affected by hunger whether we know it or not. It's not something people like to talk about but talking about it and joining forces is a necessity so that we can help others. We're asking YOU to join us and take action to fight hunger. There is something revolving around hunger every day of the month. Step up, sponsor HAM and help those who are in need.
