September is Hunger Action Month

Hunger Action Month is an annual nationwide campaign each September, where we come together to raise awareness about hunger in America and inspire action. This September, every action—big or small—is one step closer to a Treasure Coast where no one experiences hunger.

Your voice, your actions, and your commitment are critical to our mission's success. With access to nutritious foods, we can all reach our full potential. Participate in this community calendar to take action against food insecurity throughout the month.
How will you choose to end hunger?
